Feedback required about Remote Learning

We are collecting feedback about the remote learning program your children are participating in. It would be great if you can help by completing this survey. If you have more than one child please fill in a survey for each child. You can find the survey here:

FROM THE PRINCIPAL:

I hope everyone is coping well after the announcement that lockdown is to continue for quite a while yet. Please try and keep yourselves as upbeat and happy as possible. We know it is not easy and we understand. We are so impressed with the extraordinary effort our parents and students are making to continue the learning. All we ask is for parents to insist on the routine of school. Make sure your child/children get online every morning and we will do the rest! Thank you for your support.

Fruit and Food Boxes for Wallarano Families

The school has a large number of food boxes with long lasting milk, fruit cups, baked beans and Weet-bix. We also have fresh fruit – pears and apples. Please contact the school if your family would like to take us up on this offer. We ordered it for our community so please take advantage. Times are tough for many of us and every little bit helps.

Staff News

Abby Makin, our school bursar, and her partner Justin are to be congratulated on the safe arrival of their beautiful baby boy – Hudson Jay. Great news!

Child Safety

The staff and the Welfare Team are working hard to support the children. We are doing our best to have more face to face sessions with the children, phoning individual children to talk one on one, we had Fun Friday and are encouraging families to submit a Wallarano Idol item. The ICT team are also putting together videos featuring Bloopers of the students and teachers when teaching online as well as an overview of what 2021 online learning looks like at Wallarano. The ICT Team and the school student leaders are also planning to create online assemblies. Hopefully we will have an assembly before the end of this term.

Wallarano Idol

Wallarano students and their family are encouraged to submit an audition video demonstrating their talent – dancing, singing, comedy, juggling, musical instruments. Be as creative as you can! Have some fun together! The videos must be submitted by Wednesday 08/09/2021.

The top 6 for each level will be selected, by the students and teachers at each level, and then uploaded to the semi-final folder by Monday of Week 10. This will then be given the IT team to collate all the videos together, ready for voting by Thursday of the last week of school. Good Luck everyone!

Quote: Attitudes are contagious. Make sure yours is worth catching every day.
