

8th November 2022

Dear Parent/Guardian,

Wallarano Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide: special curriculum experiences, enhanced digital learning opportunities, our wonderful playground equipment, gumnut garden, shade structures, running track and electronic sign.
